Congressmen Urge Speedy
U. S. Action To Halt
Speculation In Grains

DEVELOPMENTS IN FOOD-PRICE CRISIS

(BULLETIN)
WASHINGTON, Sept. 27.—(INS)—Sen. Flanders (R) Vt., disclosed today he had been informed by grain commodity exchange spokesmen that they would ask to boost cash requirements by 50 per cent of the futures price increases.

Flanders' statement came as congressional demands mounted for presidential and legislative action to eliminate inflationary speculation in grain futures.

By JAMES LEE
(U. S. Staff Correspondent)

WASHINGTON, Sept. 27.—Refusal of America's leading commodity exchanges to raise margins in grain futures to eliminate speculation resulted today in increased congressional demands for presidential and legislative action.

Sen. McClellan (D) Ark., urged that President Truman put pressure on the exchanges to get them to boost cash requirements to 75 or 80 percent in trading as a check on speculative inflation.

Demand Regulation
At the same time, Sen. Flanders (R) Vt., demanded congress "apply controls" to regulate "excessive speculation" in grains.

Flanders, who recently proposed a 100 percent margin requirement, said he is "convinced that congress should take speedy regulatory action."

Congressional demands for action in the situation may be stimulated further by Friday's turnabout in the price trends which sent up most grain, butter and eggs after several days of steadily falling prices.

The market situation was brought to the forefront of the food-price picture accompanied by these developments:

Developments
1. The bureau of labor statistics reported retail prices of foods and services rose 0.8 percent between mid-June and mid-July to push the consumers price index 12 percent higher than a year ago and almost 61 percent above August, 1939. Food prices were responsible.

2. Sen. Lucas (D) Ill., said he did not believe there was any prospect of restoring wartime controls.

3. Secretary of Commerce Harrison submitted to the White House a report of the president's special

Tsaldaris Thanks President Truman For Aiding Greece

By JOHN REICHMAN
(U. S. Staff Correspondent)

NEW YORK, Sept. 27.—Greek Foreign Minister Constantinos Tsaldaris conferred today with Secretary of State Marshall whom he thanked for going to bat for Greece in the United Nations.

Following a 45-minute conference with America's soldier-statesman at the offices of the U. S. mission to the United Nations, Tsaldaris told newsmen that his visit was purely a courtesy call.

He said he came to thank Marshall for the latter's "valiant efforts in the interests of peace and his aid to the Greek people."

Arrives By Plane
The American delegation earlier in the week presented a draft resolution in the political and security committee, holding Bulgaria, Yugoslavia and Albania responsible for guerrilla fighting on Greece's frontier.

Tsaldaris, who arrived in New York on Thursday by plane, declared that he will remain as long as the Greek case is under consideration by the United Nations.

He added that he expects to attend all U. N. sessions which concern the Balkan situation.

At this morning's meeting, Tsaldaris, was accompanied by Greek Ambassador Vasili Dendramis.

Clock Fixers
Get Benefit Of
Time Changes

CHICAGO, Sept. 27.—(INS)—Revelers will have an extra hour of revelry tonight, non-revelers an extra hour of sleep, and Chicago clock fixers the country over anticipated a lot of business.

Tonight—or Sunday morning—at 3 a. m., it will be 2 a. m., as Daylight Saving Time comes to an end.

Chicagoans, to avoid getting to church an hour early, will turn their clocks back an hour tonight.

But the hitch is, there are some clocks that can't be turned back. They must be set forward 11 hours. O. W. Smith said today that the same people make the same mistake year after year. He said:

"Any striking of chiming clock should be turned forward 11 hours. 'If you turn a chimer backward, there's no telling what it will do if it does anything.'"

Youth's Body Is Found In River

WILKES-BARRE, Pa., Sept. 27.—(INS)—Foul play was suspected today in the death of 18-year-old John Flannery, of West Pittston, whose bullet-pierced body was found floating in the Susquehanna river.

Police said the youth, nephew of Judge J. Harold Flannery, was found floating near the West Pittston shore by a dredge crew. A bullet wound was found in the head; the rifle was discovered nearby.

The police theory was advanced after the family said the gun did not belong to the boy or the household.

Attlee Scolds His Opposition

LEICESTER, Eng., Sept. 27.—(INS)—Prime Minister Attlee today scolded those sections of the press and opposition circles which persistently criticize his government. He declared they have "made our task more difficult."

In a speech at Leicester, Attlee said that this constant anti-government barrage has led to misconceptions abroad of conditions in Britain. He declared:

"In the United States, for instance, they get the impression that this country is a grey and miserable place, that Britain is down and out. 'European countries of different economic and political complexions, all alike are caught by results of the war.'"

The prime minister remarked further:

"I think the virulence of attacks on the rest of the world in the Soviet press is a measure of the difficulties which the Russian government experiences."

OIL CITY, Pa., Sept. 27.—(INS)—Three Clarion county men who went deer hunting out of season today had been fined a total of \$1,000 and one of them was minus his car and rifle.

Victor Niederrepper of Marble was fined \$400 and his car and rifle were confiscated when he pleaded guilty Friday in county court to killing three deer and wounding a fourth.

Robert and Leonard Schill, of Lucinda, pleaded guilty to helping kill the deer and were fined \$300 each.

Livengood Warns On Expansion Of Consumer Credit

Banking Institutions Cautious
By Secretary Of
Internal Affairs

RESTRICTIONS END ON NOVEMBER 1

ATLANTIC CITY, Pa., Sept. 27.—(INS)—Banking institutions were warned today that they must avoid contributing to a possible economic recession by preventing undue expansion of consumer credit after controls have been removed.

The warning was issued by Secretary of Internal Affairs William S. Livengood, Jr., a speaker during the association's meeting in Atlantic City.

Fear Avalanche
Elimination of restrictions November 1 will be followed by a "vertible avalanche of installment buying," Livengood forecast.

"If purchasing power by credit financing be allowed to get out of hand, it might in itself become an agency of depression," he declared.

"It can easily happen again, unless you resist to the full the temptation to disregard safety for volume, to run the risk of discrediting your business as a whole and bringing down on your heads new and even more vigorous governmental regulation and countrywide financial disaster," Livengood said.

Existing curbs require down payments of one third of the full price and full payment within a year on most household appliance and other items.

WESTERN JAVA VOLCANO NOW IN ERUPTION

BATAVIA, Sept. 27.—(INS)—Goenoeng Gedeh, 10,000-foot-high volcano in Western Java, erupted today for the first time in 38 years.

Dispatches from Buitenzorg and Bandung, between which the mountain lies, told of smoke columns towering as much as two miles into the sky.

Measures have been taken for protecting the populace, though the situation was not viewed as alarming.

Yugoslavia Says Three Americans Will Be Released

TRIESTE, Sept. 27.—(INS)—The release of a U. S. Army officer and two enlisted men by Marshal Tito's troops was expected momentarily in Trieste today following an apology by the Yugoslav government.

At Belgrade, Acting Foreign Minister Vladimir Velebit promised Ambassador Cavendish Cannon that the three soldiers, seized by a Yugoslav patrol on Monday, will be released immediately.

He voiced an official apology over the incident, which occurred along the new Yugoslav border near Trieste.

TOKYO, Sept. 27.—William H. Draper, Jr., undersecretary of the army, made only brief comment today on the Russian proposal to withdraw from Korea next year—if the United States withdraws.

Draper, in Tokyo on an inspection tour, said:

"It is interesting to note that the Soviet proposal was made on the heels of a reference to the Korea problem before the United Nations. I am certain this will have the State Department's full consideration with reference to UN action."

It was indicated that President Truman has approved McGrath for the post.

The retiring committee chairman is expected to retain his cabinet position as postmaster general.

Hannegan's retirement as national chairman has been anticipated for some time because of ill health.

(BULLETIN)
LAKE SUCCESS, N. Y., Sept. 27.—(INS)—The United Nations Security Council members today studied a secret report from the consular corps in Indonesia confessing practical failure of the truce imposed on August 4.

The report, which avoids blaming either the Dutch or the Indonesian Republican troops, was unable to offer any suggestions leading toward an amicable settlement.

Charge Eisler Entered U. S. By Perjury Means

By RAYMOND WILCOVE
(U. S. Staff Correspondent)

WASHINGTON, Sept. 27.—Hanns Eisler, a former German Communist on whose behalf many prominent people once interceded, today faced possible imprisonment of five years if convicted on charges of perjury.

Justice department spokesmen said the criminal division will take up without delay the findings and recommendations of the house un-American activities committee.

Charge Perjury
The committee climaxed three days of public hearings by charging that the 49-year-old Hollywood composer, who wrote the music for eight movies, "perjured his way in and out of the United States at will."

The committee accused Eisler of falsely stating to immigration officials when he sought admission that he was not a Communist and had never been affiliated with a Communist organization under the law. Communists are barred from entry except by special permission.

Eisler is a brother of Gerhard Eisler, alleged Soviet agent who has been convicted of passport fraud and contempt of congress. Hanns Eisler told the committee that he joined the Communist party in Berlin, Germany, in 1926, but did not regard himself as a "real member" because he "dropped out" without paying dues.

Foresees Credit Buying Avalanche

ATLANTIC CITY, N. J., Sept. 27.—(INS)—Pennsylvania Secretary of Internal Affairs William S. Livengood expects an "avalanche" of credit buying by Americans after November 1.

He told the Consumer Bankers association that unless credit agencies "put on the brakes," installment buying will "accelerate a new economic depression."

Government restrictions on installment buying will be lifted November 1.

Senator Taft In Portland, Oregon

By WILLIAM THEIS
(U. S. Staff Correspondent)

PORTLAND, Ore., Sept. 27.—Sen. Robert A. Taft (R) O., strengthened his personal platform today with a public welfare plank expected to attract interest in liberal-minded Oregon where Harold E. Stassen has made strong headway.

Taft gave Oregon what he called a "sound Republican program" of social security, health, housing and educational aid for the next session of congress. He estimated that ultimately it would cost the government an additional one billion dollars a year.

The barnstorming Ohioan planned to attend the Oregon-Texas football game in Portland this afternoon and tonight talk on labor legislation and answer questions before a student meeting at Oregon State college.

Oregon Republicans made it clear that former Governor Stassen of Minnesota, the only "announced" GOP presidential candidate, has found fertile ground in their state. He was credited with strong support among Oregon young Republicans.

Threat Is Made Teamsters' Union May Quit A.F.L.

INDIANAPOLIS, Sept. 27.—(INS)—Daniel J. Tobin, president of the International Teamsters' Union, put on record today another threat to take his union, the largest in the world, out of the American Federation of Labor.

Tobin declared in a signed article in the current issue of Teamster, official organ of the union, that such a move may be necessary to protect his members under the Taft-Hartley law.

Previously, Tobin had threatened to withdraw from the Federation when the AFL executive council refused to sign the non-Communist affidavits required under the Taft-Hartley law.

At that time Robert Denham, chief counsel for the National Labor Relations Board, ruled that AFL unions would be denied recourse to NLRB machinery because of the executive council's action.

Gromyko Will Make New Blast At U. S. Position

Scheduled To Speak In U. N.
Security Committee During
Afternoon

NEW ACCUSATIONS ARE ANTICIPATED

By PIERRE J. HUSS
(U. S. Staff Correspondent)

LAKE SUCCESS, N. Y., Sept. 27.—Premier Stalin's team at the U. S.—Andrei Y. Vishinsky and Andrei Gromyko—hold the spotlight today in a double assault on U. S. policy in Greece and on alleged western "war mongering."

Vishinsky is closely scanning all reaction among the thousands of delegates and in particular in the United States on his renewed lashing at Americans he branded as "war mongers" in a news conference where he sustained an unexpected verbal buffeting from several correspondents.

To Speak at 3 p.m.
Gromyko is scheduled to blast loose in the 35-nation political and security committee at 3 p.m. with new accusations against the U. S. in an effort to knock down the demand of Secretary of State George C. Marshall for a permanent Balkan border commission and his indictment of Bulgaria, Albania and Yugoslavia as the guilty culprits.

At Lake Success, the consensus among delegates is that Vishinsky, on Moscow's instructions, called his news conference to counteract the "bad impression" his virulent attack on the United States provoked a week ago at Flushing Meadows but failed to achieve that goal by a wide margin.

Efforts Pathetic
British, Australian, Belgian, Dutch and a number of other delegation spokesmen were unanimous in the opinion that Vishinsky's efforts to make a case for the Soviet Union and himself were "pathetic" and that in the end he took the count under a rain of acid counter-thrusts.

Both he and Gromyko have been less vociferous on the British announcement that, failing a solution of that issue by U. N. all British troops and administrative personnel will be withdrawn from the Holy Land and the mandate terminated.

Accuses Russia Of Responsibility In Petkov Execution

Winston Churchill Flatly Accuses
Soviet In Execution In
Bulgaria Tuesday

(BULLETIN)
LONDON, Sept. 27.—(INS)—Winston Churchill today flatly accused Russia of responsibility for the execution of Nikola Petkov, opposition Agrarian party leader whom the Bulgarians hanged on Tuesday.

Addressing a Conservative party rally in the east London suburb of Sharnbrook, Churchill's wartime prime minister declared:

"There can be no doubt that the prime responsibility for the murder of Bulgarian Patriotic Petkov lies with the Soviet government."

Continuing his denunciation of the Communist-dominated Sofia regime's action in hanging Petkov on what are viewed as trumped-up treason charges, Churchill added:

"It is no doubt intended to give a lesson to various countries of eastern Europe which have fallen into the Soviet grip, of what will be the fate of any public figures—However popular or honorable they are—who venture to oppose by constitutional means the puppet governments which the Soviet government has erected."

PMT A DRIVERS BELIEVE SAFETY IS NO ACCIDENT

The men who pilot the trucks marked with a "PMTA" tag are men of experience who are driving for men who know the trucking industry. Both driver and owner know that everybody loses in an accident. The owner loses the service of the truck, the driver may lose time in a hospital, the consignee may lose delivery on valuable cargo and the insurance company loses.

PMTA drivers and owners know that "Safety Is No Accident". That's why the trucks wearing the PMTA sign go for years without accidents.

You can have confidence in the driver of that truck ahead if the truck has a PMTA tag upon it.

Urges Special Session
A CIO advisory committee urged Mr. Truman to summon a special session of congress to restore price controls and rationing.

The agriculture department reported that 70 percent of the acreage in the corn belt states now is safe from frost.

In rejecting a government request to boost margin requirements, heads of the Chicago, Minneapolis and Kansas City grain exchanges called for a congressional investigation of their own operations.

J. C. McClintock, president of the Chicago Board of Trade, told a news conference that such an inquiry would disclose that government purchases of grain for export and not speculators was responsible for high grain prices.

Around Hollywood

By JOHN TODD

International News Service Staff Correspondent

HOLLYWOOD, Sept. 27.—This little yarn might very well be titled the Case of the Twelve Cases of Scotch, or, Don't Count on Highballs until they are mixed.

The central character, whom we will call the hero, is a famous screen star who must remain anonymous, the reason becoming entirely clear as the narrative progresses.

It seems that a little while back our hero was sought out as the guest star on a radio program. His income being in the high upper

brackets, he saw little profit in the engagement. So, he politely declined. Good Humor Chilled

However, the regulars on the program were most anxious for his appearance, so he duly acquiesced just to be a good fellow. In return for his good nature, the regulars on the program sent him 12 cases of best Scotch. That evening our hero and some of his closest friends opened a couple of bottles to enjoy some mild whoopee.

Our hero's good humor was chilled the next morning when he got a phone call. There was an official

voice at the other end which told our hero in no uncertain terms that the government had no intention of permitting screen stars to get away with any such financial pollywogging.

"What are you talking about?" said our hero, trying to hide his consternation.

Icy Voice Is Heard
"I am talking about that 12 cases of Scotch," said the icy voice. "We're certainly not going to permit stars to accept remuneration in Scotch. Think of the bad example it would set. We'll be up there tomorrow morning to check with you."

With that, he hung up and our unhappy star indulged in a period of the shakes in which the Scotch played little part.

Our hero finally calmed down and telephoned his attorney.

"This may be one of my pals playing a gag on me," he said, "but

the guy sounded awfully official and I don't want to get into any trouble."

The attorney opined it might be a gag, but it might be he real thing, too.

"I wouldn't take any chances," he finally advised, "if I were you, I'd get rid of it. It shouldn't be too much trouble to get rid of 12 cases of Scotch."

Doorbell Didn't Ring
Our hero agreed that nothing would be simpler. But, after he hung up, he thought for a long time and the more he thought the less he liked the idea of giving away 11 full cases plus 10 bottles. Then he recalled that the attic could be reached through a trap door.

Thereafter he went to work. He opened all the cases, and two and three at a time he lugged the bottles

up to the second floor and then up a ladder to the attic.

Then he collapsed in a chair.

The doorbell did not ring the next morning with any official visitor. Nor the next afternoon. Nor the day after, nor the day after that.

Our hero is still waiting, getting angrier by the minute.

ARTIFICIAL KIDNEY
STOCKHOLM—(INS)—An artificial kidney has been constructed by two Swedish surgeons, Drs. N. Alwall of Lund and B. Garlitz of Stockholm. It created a sensation when demonstrated at a recent Scandinavian medical congress in Stockholm. The apparatus, which is to be used in cases of uric poisoning, is so designed that it allows the patient's blood to pass through a filter and from there back into the body again.

PARKING BAN
BOSTON, (INS)—Boston together with 11 other cities in the greater Boston area will make a coordinated effort to free major traffic lanes during the peak hours of travel by imposing a parking ban on one side of the principal thoroughfares from 8 to 10 a. m. and from 4 to 6 p. m. The new restrictions will be placed in effect October 1, and will be tried for 60 days. If the police chiefs and the Massachusetts Safety Council, which is sponsoring the plan, agree that the parking ban is effective in relieving traffic congestion, they will ask the legislature for authority to make it permanent.

Peter the Great, of Russia, made it compulsory for his people to shave, and imposed fines on all those who wore beards, the fines being graded according to the rank of the wearer.

WASHINGTON CALLING

(Continued from Page Four)

Fascists who meant to kill all Democrats and Republicans. Watching the sheep at night, they were able to escape about two weeks after their capture. They ever since, living as best they could in crude tents. They would try to get more sheep. How and where they did not know.

These simple men, telling their story without guile or adornment, sent a long way off from Athens and the world that is so involved in the feud which caught them up. They were fortunate. Most such stories end in torture or death, burning, pillaging, looting, raping. Hundreds of villages have been burned in whole or in part, sometimes when government troops were only a short distance away. At various points along the road there are detachments of soldiers. Without them it soon would be impassable. Recently the sizable town of Florina was cut off so that now it is accessible only by air.

Doubt Results

In Jannina, which is primitively picturesque with a strong flavor of the long period of Turkish domination, the officials doubt that the amnesty will bring very many guerrillas down from the hills. They estimate that up to 70 per cent of the rebel bands are unwilling followers forced at the point of a gun to go along or who joined up and have since regretted their choice. They would like to surrender their arms and resume a peaceful life. But they are prevented from doing so by the hard core of convinced Communists who maintain ruthless discipline. Any sign of insubordination is likely to bring death. The men also know that their families may suffer savage punishment in reprisal if they desert.

Long Way To Athens

It is a long way to Athens and its clanging trolleys and crowded streets. Yet all the orders come from Athens. Overcentralized control, with the resources for exercising that control primitive at best, is one of the curses of this country. Another curse is the high rate of political turnover in the government, which is in turn reflected in the remotest village and crossroads as every last officeholder goes out to be replaced by someone of the incoming party.

The shepherd on the farthest mountain side feels the searing breath of the strife and he understands so little. It is "one world" in a sense quite different from that which Wendell Wilkie meant to give to that phrase.

This skill demands management that helps him see as he grows old enough to reflect, that he has gained certain values from proper denials and requirements to the end that he gradually may choose to impose on himself certain disciplines now for richer values later. As a rule, the earlier and more often he chooses to discipline himself in this direction, the better will be his spiritual growth.

in a Home
USUALLY

Cost a
Lot of Money

... BUT NOT ALWAYS

THERE'S one big thing in your home you'd never think of doing without—your constant supply of pure, health-giving, drudgery-saving water.

YET, for approximately the cost of a package of gum—yes, as little as 5 cents a day—your family gets all the water it needs for health and cleanliness. Small wonder you hardly ever stop to question the existence of your water supply. It barely touches your pocketbook, though it touches almost every phase of your daily living.

Croatian Fraternal Union Names
Officers After Anti-Communist Bolt

PITTSBURGH, Sept. 27.—(INS)—The stormy, two-week convention of the Croatian Fraternal Union was scheduled to close today on a quieter note, but with the threat of legal action against newly-elected officers hanging over the organization.

Officers were elected yesterday, after the anti-Communist faction of the CFU, numbering almost half of the 308 delegates, bolted the convention.

The anti-Communists threatened the legal action, asserting the CFU's constitution calls for a two-thirds majority for elections. The highest total vote in the elections was 188, compared to the 205 necessary for a quorum, George Buban, St. Louis, convention chairman said.

Vjekoslav Mandich, New Castle bank clerk, was elected president by the leftists "progressive" wing of the organization. Other officers elected were Frank Zornjak, Chicago, vice president; John Badovinac, Pittsburgh, secretary; John Kovac, Pittsburgh, secretary of sick benefits; Martin Krasich, Pittsburgh, treasurer, and Joseph Bella, Lackawanna, N. Y., director of the junior order.

JUDGE W. WALTER BRAHAM

The only judge in Lawrence county judiciary history to succeed himself in office is The Honorable W. Walter Braham, elected to his last term in 1945 and now presiding on the bench at the Court House.

Judge Braham was born in Youngstown, O., October 28, 1893, and moved to northern Lawrence county at an early age. He remembers his youth spent on a farm in this county and he began his schooling at Volant college.

"Actually the world 'college' was a misnomer," he explained. "In those days there were no public high schools and the Volant institution was the equivalent of an academy."

Worked In Brickyard
Judge Braham recollects his job in the brickyard at Volant while attending school. His work consisted of cleaning bricks at the wage of seven and one-half cents an hour and later he busied himself with a wheelbarrow for the rate of 20 cents an hour or the sum of two dollars a day.

His higher education took him to Westminster college where he was graduated in the year 1915. He was the second of seven brothers and two sisters to be graduated at New Wilmington. After receiving his diploma he taught school for three years, soldiered for one year, and then made the decision to enter the profession of law.

Entered George Washington U.
He entered George Washington University, and held a job at the same time with the government, in what would now be comparable to

our Veterans' Bureau. The long hours of work coupled with his studies soon became too great a burden and he switched to the University of Pittsburgh, taking a summer position with the Radcliff Chautauqua company as a speaker. He recalls with a great deal of pleasure his trips with the company through the Mississippi Valley and the mountain states.

Judge Braham received his law degree in 1922 and returned to Lawrence county, hanging out his shingle in partnership with Robert K. Aiken in New Castle. He also practiced in partnership with William Cohen and J. Glenn Berry.

Elected Judge In 1935
He was elected judge in 1935 and took office in January, 1936. He serves on the procedural rules committee appointed by the State Supreme Court, is past-president of District 10 and is a member of the joint state government committee.

During the year 1937 he served as commander of the American Legion post of the city.

In 1945 Judge Braham ran for re-election and set his precedent by winning both the Republican and Democratic nomination unopposed. He took office in January of 1946.

Judge Braham married the former Selma Whitla of Sharon and is the father of three children—W. Walter, Jr., a freshman at Princeton University, James W., now attending Mercersburg Academy, and Isabel W., a sophomore at Smith college.

He resides at 126 Hazlecroft avenue.

PAY NOW AND SAVE PENALTY

Only a few more days remain for people to pay 1947 school tax at face, because October 1 will find a penalty of five percent being added. There already now is a five percent penalty on unpaid 1947 city taxes.

Next week, members of the New Castle Lions club will be guests of the Rotary club, meeting Monday noon in The Castleton. The feature attraction is an illustrated talk by Jerry DeCroce, a nuclear research scientist with the Westinghouse Electric company, who will speak on the subject "Atomic Energy, a Tool or Weapon". Mr. DeCroce has been engaged in nuclear research for over 25 years, and is well fitted to discuss a subject of vital interest to everyone.

There will be no meeting on Tuesday.

Essington Girl Beaten, Attacked

ESSINGTON, Pa., Sept. 27.—(INS)—A six-foot thug who muttered "don't scream or I'll slash your throat," dragged a 24-year-old girl into a vacant lot in Essington today and attacked her after beating her with a claw hammer.

The victim, Miss Edith Henuber, 24, of Essington, who had been returning from a dance in Philadelphia when seized, ignored his threats, however, and shouted for aid. Her assailant ran off and a taxi driver who found the seriously injured woman, drove her to a hospital.

Shortly afterward police searched the area and arrested a suspect, identified as Richard Jefferson, 20. They said he was hiding in the lot and had a claw hammer and Miss Henuber's purse in his possession.

Feast Of Sukos To Be Observed

Special Services During Week Of
Holy Festival For People
Of Jewish Faith

The Festival of Sukos begins at sundown Sunday night, September 28, and is celebrated by Reform Jews for seven days with a service the first and last days and by Orthodox and Conservative Jews for eight days, with special services on the first two and last two days.

Sukos means booths and refers to the ancient custom of the Jewish people dwelling in booths at the time of the ingathering of the harvest. It is one of the three pilgrim festivals during which, according to the Book of Deuteronomy, all Jewish people had to go to Jerusalem to celebrate the holy festival. The other two pilgrim festivals are Passover and the Feast of Weeks or Pentecost.

The pilgrim fathers of America were so impressed with the Sukos festival that it inspired them to celebrate Thanksgiving Day as a time to express their gratitude to God for His blessings.

The scriptural portion of the Sukos festival consists of reading the Book of Ecclesiastes whose lesson is that the seasons come and go, the waters run into the sea, the sea is never full, but the full duty of man is to remember his creator in the days of his youth.

The local synagogues have arranged services to be held during the Feast of Sukos.

At Temple Israel, services will start Sunday evening, September

28, at 7:30. Dr. Iwan J. Gruen will preach on "Desert and Harvest." Monday morning services will be conducted at 10:30 o'clock.

Services at Tifereth Israel synagogue will be conducted by Rabbi Hyman Krash. They will start at sundown at 5:30 p. m. Sunday. Rabbi Krash will also conduct the Monday and Tuesday morning services at 8 o'clock.

Almost 5000 'Prints' At Detective Bureau

Four thousand, eight hundred and seventeen persons have been fingerprinted and photographed at the city detective bureau during the past 15 years, according to Police Captain Willis G. McMullen.

Among those whose "prints" and photos were taken were persons accused of murder, burglary, in fact, every sort of crime. Many of those who faced the fingerprint machine and camera were accused of minor offenses.

Whenever a person is arrested in the belief that he is wanted elsewhere he is "printed" and "mugged" and a copy sent to state police and to the Federal Bureau of Investigation.

Within 48 hours a return is received, stating whether or not the person is wanted. If not he is released.

New Castle High Defeats Sharon Tigers 14 To 7 Friday Night

Gene Gribble Is Outstanding Star In Stadium Battle

New Castle Registers Second Class AA Victory Of Year; Gribble Scores Twice; Jones Puts On Aerial Circus; Tigers Score First; Crowd Of Around 11,000 See Game; Play At Altoona Next Saturday.

Spearheaded by the veteran left-half "Galloping" Gene Gribble, New Castle High's "Red Hurricane" football machine served notice on the WPIAL Class AA contenders last night at the stadium by downing a very good Sharon High team 14 to 7, as around 11,000 shivering fans looked on.

In recording its second Class AA triumph New Castle High presented a Gribble vs Jones show and if any player ever deserved a triple-threat cognomen Gribble does. Gribble, right-half, intercepted a Sharon touchdown, did all the passing and the punting, and all told for the evening gained 170 yards for his team out of 194 yards New Castle made rushing.

Gribble Scores Twice
Gribble ran left end in the first few minutes to give New Castle a tie after Sharon had scored standing up. Gribble in the third period raced around left end and sped 24 yards to tally the winning touchdown. Jack McCoy the placement specialist kicked both extra-points and that constituted the New Castle scoring efforts.

It was big Paul Kawana, 188 pounds who crashed over from the one-yard line in the opening minutes after Paul McDade the Sharon right-half intercepted a Gribble pass and raced 49 yards to the New Castle 11-yard line.

Pass Defense Works
New Castle all week had been brushing up on pass defense to try and throttle "Terrific" Jones and as a result, showed good results. Jones tried 15 passes and made but four of them, none for dangerous penetrations of the New Castle territory. On the other hand New Castle tried very few passes.

Line play on both teams was brilliant all evening. Both teams had fast charging lines and vicious tacklers. In first downs New Castle led 7 to 6, which shows what kind of a battle it really was.

Sharon after Kawana ripped over the goal in the first minute, never got within speaking distance of the New Castle goal line and in fact never got very deep in New Castle territory.

Two Fine Teams
It was strictly a Gribble and Jones feud last night—both are seniors and opposing each other for the last time. Gribble had a little the best of the feud being more sensational running the ball, but you can't discredit the passing ability of "Terrific" one bit, he can pass with the best in high school circles. He gave New Castle several anxious moments as he nearly completed rifle-like aerial thrusts that were labeled "touchdowns" but did not reach their destination, being

Altoona Tickets Here By Thursday

J. H. Earl McKenzie, ticket manager at New Castle High will receive between 300 and 400 reserved seat tickets for the New Castle-Altoona game at Altoona next Saturday. The tickets will not arrive here until probably Thursday morning. Reserved seats will be \$1.00 per ticket. Altoona is also sending general admission tickets for sale here. The reserved seats are between the 40 yard lines, in the concrete stands.

Bands Interest Football Crowd

Sharon And New Castle Bands Present Snappy Program Between Halves

Two fine bands added interest and color to the football game in Taggart Stadium Friday night. Sharon high school's band, directed by David Reese, was out to show the New Castle people something snappy in band music and did.

The two bands joined for the playing of the "Star Spangled Banner" before the game started. At the half the Sharon band marched out to mid-field where a huge N was formed. Following that the band formed an "S" and played the Sharon school anthem.

New Castle's 110 piece band took the field as Sharon left and immediately formed the outline of a locomotive. As you might expect, "The Atchison, Topeka and the Santa Fe" got a going over along with "Casey Jones", and a number of other numbers that hint of railroads.

Collection Taken Up
The collection taken during the half, to help finance the band's going to Bethlehem on Thanksgiving, was not up to expectations. A total of \$302.29 was collected although it must be said that the moving crowd made it difficult for the boys Scouts to cover every row.

P. J. Flaherty, chairman of the Board of the Johnson Bronze Company, added \$100 to the fund Friday. George T. Weingartner added \$25. Mooney Brothers, \$10, and Chapter No. 8 of the Women of the Moose Order of the Builders, \$5. Also Levine \$5, Robert L. Wallace \$5. The total now is approximately \$1400, which is a long way from \$4000 or \$4200 needed to take the band to Bethlehem and back. Contribution can be made to City Treasurer B. N. Hanlon in the city building.

Gribble Makes Prettiest Run Of Night

"Galloping Gene" Gribble dashes 54 yards in the opening quarter to set up the first New Castle score which knotted the game at 7-7. Set to block Sharon's Wally Jones (78) out of the play is Lou Clause (58) Hurricane fullback. Sharon players, left to right, in background, are Kapes (37), Kawana (81) and Ruffo (71).

Arrow points to Gribble, about to cross the Sharon goal line after a 4-yard dash in the first period. This deadlocked the game for the locals. Lou Clause is in front of the New Castle speedster, while Jones clutches at the runner as he passes. Lou Gilmore is in foreground, having just blocked out Ruffo, behind him. Behind Ruffo is Santelli (88), Sharon tackle.

Baker-Ronzi Box Monday

All Classes Expect Fly-weight And Light-Fly-weight, To Be Seen

Only 48 hours remain until Bob Baker of Pittsburgh and Rizieri Ronzi of Youngstown, amateur heavyweights, punch it out in The Arena. They will fight the main bout of a calendar of eight, and if Baker lives up to his pre-fight notice, it should be a real punch duel.

Baker has been boxing in Pittsburgh and vicinity rings, and according to a pre-fight note, is favored to capture the heavyweight championship of the Diamond Belt tournament which will be staged there this winter.

Ronzi is a punch-for-punch artist. He has boxed all of the most important heavyweights hereabouts, and for consistent battling he has an average well above the ordinary amateur.

The semi-final will find the rugged, right-hand lethal toter, Pete Misto, opposed to Nelson Taylor of Warren, O. In the semi-final, Pete had an easy time with his last opponent here.

Jimmy Carliko on Card
Bill Bradley of New Castle, a middleweight, is scheduled to take on Omar Dart, a newcomer of Pittsburgh, in another three-rounder, and Jackie Evans, this city, battles Cecil Johnson of Pittsburgh at 160.

Jimmy Carliko of Youngstown, one of the "Fighter" Carlikos, is slated to battle Mike Svada of Sharon, also a newcomer. They are lightweights, and Tommy Desantis, Youngstown, will oppose Charles Charles Bratton of Youngstown at 120.

The balance of the card is composed of boys making their debut here. They are: Frankie Lenthone, Youngstown, vs. Bobby Sutherland, Warren, 118; and Billy Underwood, Youngstown, vs. Henry Adams, Pittsburgh, 126. All classes excepting the flyweight and light-heavyweight are represented on the docket.

The Jefferson A. C. is the promoter. The first bout starts at 8:30 p. m. Monday.

Eight Bouts Tuesday Night At Ellwood To Benefit Police Pension Fund

There should be plenty of action when Bob Everett of Pittsburgh opposes Billy Pozza of Ellwood City Tuesday night in the Lincoln high school gymnasium, Ellwood City.

It is the main of eight bouts being staged under the sponsorship of the Dapper Dans for the benefit of the Ellwood City police pension fund.

According to reports, Everett holds two decisions over Gentleman Jim Edwards of Pittsburgh, who defeated Pozza in a recent bout at Farrell.

Chuck Gibbons, Ellwood City, battles Johnny Paoletti, Akron, in the semi-final.

Ronald Delaney, Akron, light-weight champion of Ohio, meets Rudy Flowers of Pittsburgh, who holds a win over Kid DePaul.

There will be five other bouts.

Lentz, Scores For Zelenople In Fourth Period, For Only Score, 6-0

Shenango High "Wildcats" played good hard football for three quarters at Zelenople last evening and in the fourth period saw Lentz rip over for the game's lone touchdown from the 18-yard line giving the Zelenoples a 6 to 0 win under the arcs.

Coach Eddie Nahas had a patched up Shenango lineup on the field, being riddled by injuries and expected to see the Zelenoples run wild, but Shenango's boys fought hard, and at one time in the game had the ball on the Zelenople five, but lost it on downs.

Hopewell Next
Zelenople's touchdown, was set up when Shenango held the heavier Zelenople team for downs on the two-yard line and kicked out to Zelenople, only to have them run it back to the 10 and then score.

The defeat was the first for Shenango, being idle last week after defeating Mercer in the opening game.

Ellwood Jolts Farrell 18-0 In Class AA Upset

Long Runs By O'Hara And Warnock Feature Arc-Light Clash At Lincoln Field; Fumbles Hurt Mercer Countians; Wolverines Flash Power In Form Reversal.

ELLWOOD CITY, Sept. 27.—Ellwood's Wolverines, unable to engineer a touchdown in two previous games this season, roared into the victory column with a vengeance here last night—pasting Farrell's Night Riders, 18-0, in a class AA surprise package.

Lancing the Mercer countians' defense with two long gallops and slashing 70-odd yards on another occasion, the Blue and White completely dominated the game, piling up a 15-12 first down edge and out-gaining the invaders, 345 to 179, in rushing and passing.

Fumbles Hurt Steelers
Inability to hang onto the pigskin hurt the Steeler team and had Coach Anthony Paulekas squirming on the bench. Three

ROCHESTER BACK DASHES 100 YARDS

ROCHESTER, Pa., Sept. 27.—(INS)—Theodore (Skip) Doyle of Rochester high school today claimed the longest run of the young football season in western Pennsylvania.

Doyle intercepted a New Brighton pass last night and dashed 100 yards for a touchdown as Rochester won a 26-0 victory.

In fact, the game was just about an all-Doyle affair. He scored all four Rochester touchdowns, one on a 62-yard run.

times the visitors bobbled the oval in scoring position and to add to the irony, had the ball on the final chalk-stripe at the end of the game only to be denied a score.

The Wolverines stunned Farrell before the cash customers had settled into their seats. Mike Gregg ran the opening kick-off back to the Ellwood 39, and on the first scrimmage play, Don O'Hara broke off tackle, was screened by crisp blocking and danced all the way to the goal line.

Drive To Farrell 2
The Wolves then came back to steam to the Farrell 2 where they lost the ball on downs. Farrell made some nice advances in the latter part of the first frame and in the second canto, only their butter-fingers lost them the ball—once on the Ellwood 11 when Keryan fumbled after taking a Halstock aerial.

In the third stanza the Blue and White again struck quickly. After an out-of-bounds kick on the Farrell 46, Ralston Warnock squirmed through tackle and went the distance to tally standing up.

Drive For Final Score
In the final period the Ellwoodians did it the hard way, slamming 71 yards to pay dirt. They accomplished the feat in 10 plays, with nice runs of 15 yards by Bobby O'Brien and 25 by Larry Verone featuring O'Brien crashed over from the Farrell 5.

The desperate Steelers hammered to the Ellwood goal line in the dying moments. A Halstock to Keryan pass covered 55 yards to

the Wolverine 15. Keryan then made 13 to the 2 and had to leave the game with an injury. Two plays took the ball to the one-inch line and then a five-yard fine set them back to the 7. On the last play D'Amico, sub halfback was snared for a 12-yard loss.

The officials were in a whistle-tooting mood, slapping 110 yards on Ellwood in penalties and 70 against Farrell.

Ellwood's next game will take them to Sharon high Friday night for another AA tussle.

Indies Hope To Even Up Series

Columbus Club Determined To Wrest Second Win Sunday At Chmuro Field

Fighting with their backs to the wall, the Lawrence Indies will strive to even up the city championship series Sunday afternoon at the Chmuro Recreation Field, when they meet the Columbus Club 3 o'clock.

Still smarting under the 17 to 3 defeat given them last Wednesday at Flaherty Field, the Indies will bank on their ace veteran Johnny Russo for pitching chores, while the Columbus Club will probably pitch their "clutch heater" Albert Rainey. However Manager Mike Orlando may change his mind at the last minute, he indicated.

Expect Large Crowd
If the Columbus Club wins Sunday they could wind the series up next Wednesday at Flaherty Field. The Indies are anxious for the game tomorrow and for a little revenge.

No doubt a banner crowd will see the contest. The new Indies field is located back of the ice skating rink off Mahoning and Atlantic avenues. Interest in the series is intense here today.

Roscoe Goose, who still has the distinction of having ridden the longest priced winner of the Kentucky Derby, Donerail in 1913, has an enviable reputation among horsemen because of his knack for sizing up yearlings and spotting the ones who haven't got what it takes.

Tigers-Red Sox In Hot Battle

Detroit One Game Ahead
Of Red Sox For Second
Money In American
League

By LES CONKLIN
(International News Service Sports Writer)
NEW YORK, Sept. 27.—The Detroit Tigers and Boston Red Sox, battling desperately for second place in the American league, planned to send their best pitchers into action today.

The Tigers, one game ahead of the Red Sox, nominated Prince Hal Newhouse to work against Cleveland, and Boston picked Joe Dobson, a 17-game winner, to pitch against Washington.

Both of the contenders won yesterday. Detroit's Art Houtteman held the Indians to seven hits and beat them 5 to 2, and helped to win his own game with three hits.

Red Sox Win
Boston hopped on Spud Chandler, former mound ace of the champion New York Yankees, in the first inning and beat the Yanks 3 to 2. Chandler, who had pitched only one-third of an inning since July 10, pitched three innings and said he experienced no pain in his elbow.

Spud may be able to do some pitching against Brooklyn in the world series. Although naturally off the beam in the first inning, he struck out four batters in the next two frames, fanning the side in the second inning.

Philadelphia's Athletics lost all chance of finishing in the first division when they split a twilight doubleheader with Washington. The A's won the opener 11 to 9 but Rae Scarborough gained a 4 to 3 decision over Bill McCahan in

the nightcap on Gil Coan's double in the eighth.

Braves Finish Third
Boston's Braves clinched third place in the National league when Warren Spahn, racking up his 21st win, hurled a 2 to 0 shutout over the New York Giants, who had hoped to finish third.

Alpha Beta Omega Brazie, lean, lanky southpaw of the St. Louis Cardinals, pitched and batted his way to a 5 to 3 triumph over the Chicago Cubs.

Armed-Assault Race On Today

NEW YORK, Sept. 27.—(INS)—That off-again-on-again "race of the century" is definitely on.

Unless he breaks a leg, the King ranch's triple crown winner, Assault, will meet the Calumet Farm's golden gelding, Armed, over the mile and a quarter route at Belmont Park today.

That Assault might break a leg, or at least break down, was conceded yesterday when the New York State Racing Commission ruled that there must be no betting on the race because Bob Kleberg's colt "may be found not to be in condition to finish the race."

That is merely a tortuous way of saying the cold may break down during the running of the race.

The ruling put something of a damper on the \$100,000 winner-take-all special for the 75,000 or more who will trample one another trying to get a peek at the race.

100-Mile Grind At Canfield Is Finale Of Year

Plans Complete For Championship
Race At Canfield Track
Sunday

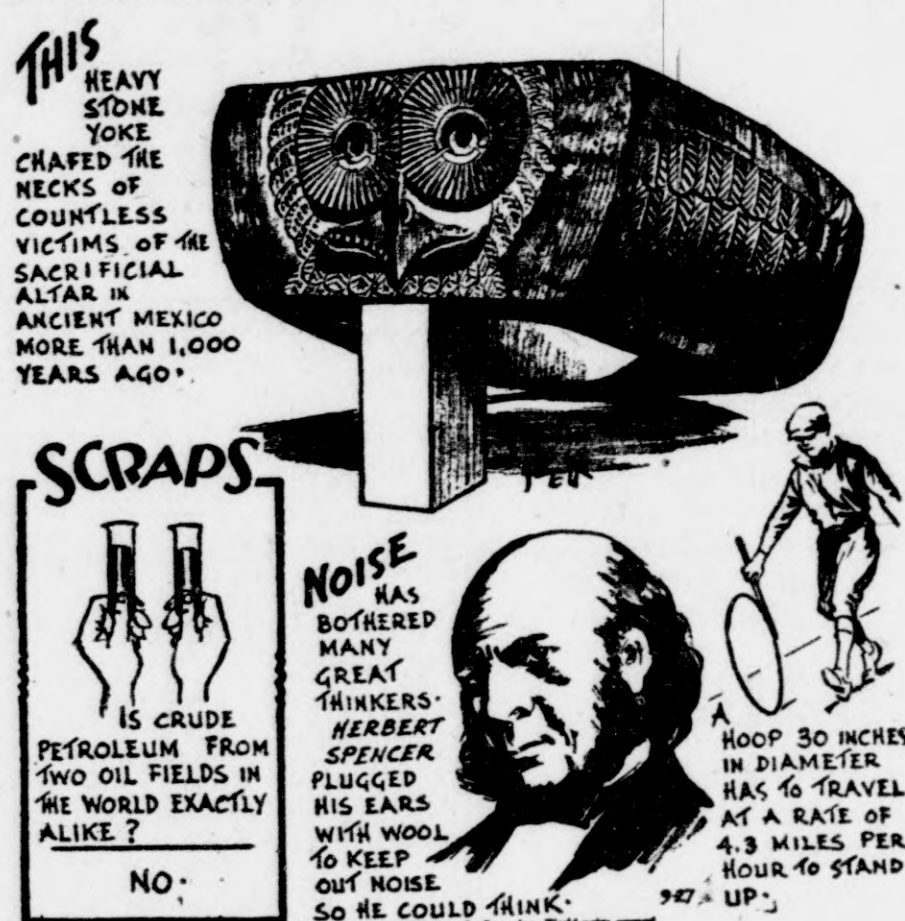

CANFIELD, O., Sept. 27.—Preparations have been completed for handling the largest crowd ever to attend a midget auto race here at the Canfield Fairgrounds when the midwestern championship trophy race will be held tomorrow afternoon, Sunday, September 28, when close to 50 of the top midget race cars and chauffeurs attempt to qualify for the big 100-lap grind, which will decide the flat track champion of the midwest.

Time trials will start at 12 noon and the first event, a 25-lap trophy race on the big track for the cars not qualifying fast enough for the 100-lap championship, will get the starter's flag promptly at 2:30. The Canfield American Legion band will open the festivities.

Two able ends, John Harrington and Pat Lahey, are making their presence felt on the Chicago Rock-ets football squad.

Ellwood Trojans Playing Tonight

Pans by the thousands are expected to turn out tonight at the Ellwood high school field to see their semi-pro powerhouse, the Trojans, clash with the McKeever Vets of Pittsburgh. Kick-off time is set for 8:30 o'clock.

It was announced today by coach Bill Young that he has acquired the services of Presto, all-state end in 1944 at the Wolverine school, and Mancini, who had a try-out at Mississippi U this fall.

The Trojans won their opener over Homewood A. A. 25-0.

Bradley Loses Out In Finals

Bill Bradley, middleweight of New Castle, was defeated by Lezender Woodridge of Hawaii in the finals of the international boxing meet held Wednesday night at Boston.

He was the only member of the Pittsburgh team to reach the finals. In the heavyweight finals, John Contrades of Hawaii won the decision from Sal Brunello, Cleveland, who boxed Elkins Brothers at Flaherty field last summer.

INCREASED CONSUMPTION
Americans consumed 19 pounds of candy per capita during 1945, compared with only 16 pounds per capita in 1938, despite curtailed supplies of sugar and chocolate and the fact that 20 per cent of all candy manufactured went to the armed forces.

Don't take any bets that Army's three-year reign over the American college football realm won't be upset this year.

Westminster Gets Bleacher Delivery October 3, Report

NEW WILMINGTON, Sept. 25.—Steel bleachers that will accommodate 1500 people will arrive on the Westminster college campus October 3 for erection, according to Ross Ellis, college business manager. This will be in time for the Titans second home football game with Thiel college on October 11.

Intensive efforts by the college to secure temporary stands for today's football game will Slippery Rock State Teachers here failed to materialize.

The permanent bleachers that once occupied the field were removed after the 1942 season when Westminster decided to abandon intercollegiate football for the duration of the war. In the Titans' first post-war year of football last fall, all home games except two were played on the Farrell high school athletic field.

Efforts to acquire new steel bleachers were opened by the college over 15 months ago.

Court House Memorial Project Is Revived Again

County Commissioners Take
 New Action On Employees
 Retirement Plan

OTHER HAPPENINGS IN COURT HOUSE

Dorman for some months, the plan to erect a war memorial shaft on the court house lawn was given new impetus Friday, September 26. The county commissioners authorized the hiring of an engineer to make a survey of the court house lawn property to decide where the memorial would best fit.

In the files of the commissioners are letters and resolutions of endorsement from most of the military organization posts in the county. All of them urge the erection of the memorial.

The idea of the memorial is not something large and ornate. It is to be a modest memorial, erected as a shrine honoring the men who died in World War Two. When the idea was originally broached a limit was set upon the cost. It was estimated then the cost would be about \$14,000.

With the survey completed and the site selected, drawings will be asked for and a contract let.

EMPLOYEES RETIREMENT
 The county commissioners on Friday authorized the retirement board of the court house to go to Harrisburg and get all available information upon setting up a retirement system for the men and women employed in the Lawrence County court house.

In the building of the 1947 budget the commissioners allotted \$20,000 to start the retirement fund. It seems likely there will be some action on the retirement system in the near future.

DIVORCE REFUSED
 Stephen E. Telega was refused a divorce from his wife Ann P. Telega on Friday morning by Judge John C. Lamore. Mr. Telega asked for a divorce upon the grounds of indignities to person and desertion. Judge Lamore found no justification for the charges. The costs are placed upon Mr. Telega.

Leaves \$105,000 To Decatur Folks

DECATUR, Ill., Sept. 27.—(INS)—The persons he once liked to fleece, the little men, were left \$105,000 in the will of the late Joe Breckenridge, 82, of Decatur, Ill.

Breckenridge was a gambler until he was 32. He gave that up and amassed a fortune dealing in real estate. After retiring from the real estate business, he became a lay missionary and spent his life "serving God."

The bulk of his estate was left to enable families of moderate income to buy homes. In addition, he left \$10 to each of the 86 churches and religious institutions in Decatur.

The people who purchased homes from him will receive a Christmas gift. They will not have to make their monthly payment to his estate for December.

Breckenridge had a reputation for charity in Decatur. He gave freely to many causes and had pressed tenants could live in his buildings free.

Rev. J. C. Rose Will Start Special Series

After twelve weeks of participation in union services sponsored by the Lawrence County Christian Endeavor, the New Castle Ministerial Association and the Christ Business Men, the Second U. P. congregation will resume evening services in their own church, beginning Sunday, September 28.

For the opening sermon, the pastor, Rev. J. Calvin Rose, will speak on the theme "Something I Want To Tell High School Students." This will be the introductory sermon to a series of sermons, dealing with the problems of youth, in regard to courtship and marriage.

Preceding each evening service an open forum will be held at 6:45 o'clock, when young people who have graduated from high school will discuss the problems related to courtship and marriage. Rev. Rose states: "This is our effort to strengthen the lives and marriages of our youth, thus saving them from the divorce court, where so many are finding themselves today."

PLAIN GROVE
GRANGE MEETING
 Plaingrove grange met at the hall on Tuesday evening and following the opening exercises, a program was presented in charge of the lecturer, Mrs. Hazel Mason.

The program opened with a song by the grange, with Miss Mary Shoaff giving a poem entitled "Men". An article by Miss Ruth Gardner was followed by a question period by the lecturer. A stunt by the juvenile grange and songs by Nancy Stroehlen and Lorraine Stroehlen closed the program.

PLAINGROVE NOTES
 Tom Brown, Earl McBride and Ernest Shepp are attending Grove City college, while Miss Evalene Minor is attending Slippery Rock.

Mrs. Everett Moore has concluded a visit to New Wilmington at the home of her daughters.

Communion services will be held at the U. P. church on Sunday, October 5. Thursday evening Rev. Robert MacDonald of New Wilmington will be the preparatory speaker.

TIPS ON SELECTING SLIP COVER MATERIAL
 A new slip cover in fresh colors will add that needed lift to an old chair or davenport. Slip covers are easy to make. There are fewer fitting problems than in making a dress. The chair stands still while you fit and pin. Bulges on a chair are usually places where excess fullness can be tucked in. There should be tucks in around the arms and the back under the cushion so that sitting on the springs will not cause a great strain on the material.

There are several important things to remember when selecting slip cover material. The size of the room and the restful appearance can be changed by the use of a slip cover on the chair or davenport which contains yellow or other warm colors. Cool blues and greens may be used in a warm room where much sunlight pours in.

Firm weave fabrics will not pull at the seams and also are more dust proof than those more loosely woven. Select washable pre-shrunk material, weltings, and trimmings. Use heavy duty thread for stitching material.

For complete directions on how to make and fit slip covers, write to the Agricultural Extension Office, or call at the office, Room 206 Post Office Building, New Castle, to secure a copy of the circular "Making Slip Covers."

Gantz Reunion Final Meeting

On Monday evening, September 29, the Martin Gantz reunion committee will meet at 8:30 o'clock, to make final plans for the reunion, Tuesday evening at 6:30 o'clock, at the Cathedral.
